JENNIFER HOMENDY
US National Transportation Safety Board

A GLOBAL PERSPECTIVE

28th June, 9.30 to 12.30, National Press Club, Washington DC

AIM

To provide an overview of vehicle safety challenges and opportunities in the UN Decade of Action for Road Safety 2021-2030. Highlight the worldwide role of new car assessment programmes and similar consumer rating systems to advance vehicle safety. And explore regulatory priorities that will contribute to the target to halve road deaths and serious injuries by 2030.

PANEL

CHAIR

Carla Hoorweg, Chief Executive Officer, Australasian NCAP

David Ward, Executive President, Towards Zero Foundation
UN DECADE OF ACTION 2021-2030 & GLOBAL PLAN FOR SAFER VEHICLES
